EDUCATION

Karel De Grote Hogeschool

Professional Bachelor of Applied Computer Science | 2025 – Present

- Successfully completed the first year of the degree program with a strong academic average of **around 80%.**
- Object-oriented programming, data management, IT infrastructure, and artificial intelligence fundamentals.

Sint-Lodewijk Antwerpen

Secondary Education: Business Support and Information Technology
Graduated: **2025**

- Graduated with a final overall average of **86%**.
- **Sole recipient** of the **Highest Distinction** (equivalent to summa cum laude) across the entire graduating cohort.

PROJECT EXPERIENCE

Patchwork – JavaFX Game

Java · JavaFX · OOP · Git/GitLab | Karel de Grote Hogeschool, 2026

- Developed a complete desktop game using Java and JavaFX, implementing core gameplay mechanics, user interactions, and graphical components.
- Applied object-oriented design and modular architecture to create structured, maintainable, and scalable code.
- Managed game state and interactions while using GitLab for version control and collaborative development.

TECHNICAL SKILLS

- **Programming Languages:** Java · C# · JavaScript · SQL
- **Software Development:** OOP · CRUD · Application Architecture · Debugging · Clean Code · Exception Handling
- **Web Development:** HTML5 · CSS3 · JavaScript · Responsive Web Design · DOM Manipulation
- **Databases & Data:** SQL · Relational Databases · Database Design · CRUD Operations · Data Management
- **Data & AI:** Data Analysis Fundamentals · Artificial Intelligence Fundamentals · Data-Driven Problem Solving
- **Development Tools:** Git · GitLab · Gradle · IntelliJ IDEA · JetBrains Rider
- **Systems & Infrastructure:** Linux · Networking Fundamentals · System Administration · Virtualization · Docker

PROFESSIONAL SKILLS

- **Analytical & Problem-Solving** — Structured approach to analyzing challenges and developing effective solutions
- **Critical Thinking** — Evaluating problems, approaches, and outcomes logically
- **Independent Learning** — Quickly acquiring new technical knowledge and adapting to unfamiliar concepts
- **Attention to Detail** — Maintaining accuracy and quality when developing and reviewing work
- **Teamwork & Communication** — Collaborating effectively and communicating ideas clearly
- **Organization & Time Management** — Prioritizing tasks, managing workload, and consistently meeting deadlines

LANGUAGES

- **Nepali:** Native
- **English:** Fluent
